**Discern Consecrated Life with MSJ Dominicans  
[include mission Immersion-San Francisco Tenderloin]**

**Who:** Young women college-age – 35  
interested in participating in discerning their call to religious life and who desire to give themselves to mission outreach.

**What:** Join us as we explore how mission begins at home but extends to the ends of the earth. This experience is designed for those who wish to learn more about our Mission San Jose Dominican life and charism, and increase their awareness of their baptismal call to mission and to pass that mission on to others.

**Where:** Participants will stay in a northern California convent setting and travel three days on BART to St. Anthony's Foundation to encounter God in the poor, elderly and homeless who struggle to survive in the Tenderloin area of San Francisco.

**Dates:** Friday, July 25, dinner to Thursday, July 31, lunch

**Cost:** \$200 donation (partial scholarships are available)
