Maryknoll Sisters' Mission Institute is pleased to announce that Christine Bochen, one of the founding members of the International Society of Thomas Merton will be offering this program. She has written widely on Merton's life and given numerous seminars, lectures and programs on his life and spirituality. Christine will lead us onto the path of MERCY that Merton himself traveled. Pope Francis, in his recent visit to the USA, spoke to Congress and named Merton one of the four great Americans who "offer us a way of seeing and interpreting reality". Merton he said "had a capacity for dialogue and a faith that sows peace".

**Registration Fee \$50; Tuition \$200**
