

## **AN INVITATION TO ALL PEOPLE OF GOOD WILL**

We, the Sisters of Saint Dominic of Caldwell, New Jersey invite you to join us in prayer for a Presidential Election that will benefit the common good.

Realizing how much is at stake and believing that we are people who want the best for our country, we hope to join together to raise our minds and hearts to the God of our hearts.

This gathering is nonpolitical. Our evening will include a simple welcome, quiet sitting, and periodic contemplative music.

Feel free to bring a book for your own reading.
