Keynote Speaker: Suzanne Schreiber, OP

Suzanne Schreiber, OP is a Dominican Sister of Adrian. She has been a teacher in the areas of religious studies, art and photography and has served as a campus minister and coordinator of a parish adult faith formation program. She has also worked with a program that connects ecology, social justice and spirituality. Photography, music and spirituality are central to her ministry.

Recent photography projects include:

The Art of Käthe Kollwitz

Käthe Kollwitz, German Expressionist, was born in 1867. She lived through two world wars, the Industrial Revolution and the rise of Hitler. In her work she communicates her personal melancholy and sense of compassion; she makes visible a suffering society in which hunger, unemployment, war and death prevail.

Kollwitz responded to the social injustices of her time through her etchings, lithographs, woodcuts and sculptures. Her time was like ours as artists today respond with compassion and a desire for peace. **Panel Discussion will follow.*
