UN Update: CSocD56 from the Civil Society Perspective

"The UN Commission for Social Development serves as a means to advise the Economic and Social Council on matters of social policy and development. The 56th Session of the Commission (CSocD56) was in session from January 29th through February 7th. The priority theme of this year's Policy Cycle was 'strategies for eradicating poverty to achieve sustainable development for all.'"

The Post

" *The Post* is the new newspaper drama directed by Steven Spielberg. It takes place in 1971, when

Richard Nixon was President and the U.S. was involved in the increasingly unpopular Vietnam War."
