Support of Political Prisoners held in Russia: case of Oleksandr Marchenko

Write a letter of support:

Here is a sample letter (letters must be written in Russian)

Привет,

Желаю Вам здоровья и терпения, и очень надеюсь на скорое освобождение. Простите, что мало пишу – мне трудно писать по-русски, но мы все о Вас помним.

[Hi. I wish you good health, courage and patience and hope that you will soon be released. I'm sorry that this letter is short – it's hard for me to write in Russian., but you are not forgotten.]
