

THE WILD AND THE SACRED

Earth Speaks...We Listen.

**Friday, January 26, 2024
via Zoom
9:30 to 11:15 a.m. CST**

At this critical time in history, we are called to re-evaluate our Earth-human relationships. It is a time for deep listening and ecological learnings. Earth sends a message. In this talk, we reflect on how we can begin to hear her speak. Please join us for this inspiring presentation and conversation.

Niamh Brennan, PhD., is a writer and educator. For the past ten years she has been engaged in research and teaching in the area of eco-cosmology and the environmental humanities. Her research focuses on the ecological crisis, whose effects are growing in our daily lives and raising concerns about the future of all life. She underscores the role philosophy and spirituality play in ecological thinking. She is author of *The Human in the Universe* (Wyndham Hall Press, 2014) and co-author with Greg Morter of *The Universe Story in Science and Myth*. (Green Spirit, 2016). In June of 2023, Niamh presented “The Human in the Universe” at Siena Center, Racine.
